

## Tafi Atome; Volta Region Monkey Sanctuary

A beautiful and peaceful community surrounded by indigenous tropical forest with high floral concentration, and situated in the heart of the Volta Region. Tafi Atome is home to a sacred and rare population of Mona monkeys. Experience village life and enjoy the culture of Tafi.

### Activities:

- View the endangered Mona monkeys in their natural habitat. Early mornings and late evenings are recommended.
- Have a first-hand experience of village life, or visit the nearby kente weaving village of the Abuife.
- Participate in the local entertainment package of story-telling and traditional drumming and dancing.
- Facilities include a guesthouse, home stays, and camping grounds,

### How to get there:

off Accra –Hohoe road ; or 43 km south Hohoe from the main Ho-Hohoe road at Logba Alekpeti from the monkey sanctuary sign unto the dirt road for 5km to Visitor Center.
